Mehmet ÖZEN

FRONTEND DEVELOPER

ABOUT ME

I graduated from Karadeniz Technical University Electrical and Electronics Engineering. During my university years, I took part in different technical projects with K-Tech Team, I participated in Tubitak Efficiency Challenge in two different categories. With the start of the pandemic in 2019, I started to improve myself in the field of Web Software and I continue to improve myself continuously. I am a volunteer trainer at techcareer which is a part of Kariyet.net, and habitat association.
